Solutions

We are delighted to announce the launch of our new HERADESIGN® Project Showcase Guide.

Nowadays, every architect and every designer is increasingly challenged to bring creativity, uniqueness and innovation to each project.

Our Project Showcase Guide is the result of extensive scanning of numerous market sectors and prominent projects to assemble a brochure full of cutting-edge solutions.

Your next project will need fresh, sustainable, innovative design ideas that incorporate natural illumination with state-of-the-art technology.

For the success of every phase of your next project, especially multi-purpose area layout designs; keep your HERADESIGN® Project Showcase Guide brochure near at hand as your resource for fresh, innovative solutions.
